## WELCOME

The response to the inaugural LifeWell Conference 2007, clearly demonstrated that we are entrusted to continue this unique focus on the conference landscape - towards the place of the church in restorative care, and the equipping of people to live life well in accordance with God's plan for his whole creation.

What a tremendous privilege that Stephen Arterburn (USA) and Darlene Zschech (AUS) have chosen to be our Key Note Speakers for 2008. We are delighted to have speakers of such calibre to build on the foundation laid by Dr Allan Meyer in 2007. Each is at the forefront of care and recovery ministry - reaching people at the deeper places of life. The conference theme 'Re-Frame your Life' resonates with the ministry purposes of LifeWell.

LifeWell is a faith based service centre of Enfield Baptist Church Inc which aims to help people live life well through access to high quality care and recovery services for the whole Person (Emotional, Physical, Spiritual realms) delivered on an individual & small group model. LifeWell recognises the biblical call for followers of Jesus to be involved in his big agenda of restorative care – which involves 'all things' under Christ Jesus. Col 1:20. Our key aims for this conference are; to educate the church in the mandate of holistic care; to equip the church for effective recovery and restoration ministry; to encourage delegates to journey towards personal wholeness and recovery; and to enable people to recognise God's intent that we live life well.

You will not want to miss the Thursday Night Opening Rally with Darlene Zschech and the Friday Night Rally with Stephen Arterburn. Please be sure to register early to get the Best Price rate, and get set for a terrific time of discovery and encouragement as we learn how to live life well.

Rev Dr John Beasy  
Director LifeWell Ministries  
Senior Pastor Enfield Baptist Church

## KEY NOTE SPEAKERS

### STEPHEN ARTERBURN

Stephen is the founder and chairman of New Life Ministries—USA's largest faith-based broadcast, counselling and treatment ministry. Steve is also the founder of the Women of Faith conferences attended by over 3,000,000 women. Steve has been featured in national media venues such as Oprah and most recently ABC World News Tonight, GQ magazine and Rolling Stone. As a best-selling author, Steve has written over 60 books, including the best selling Every Man's and Every Women's Series, which includes the widely acclaimed EVERY MAN'S BATTLE book. His most recent book is Reframe Your Life. Steve will teach us and encourage us in reframing our lives towards God's intention and agenda for restorative care, and will encourage men and equip them

with tools in their pursuit for sexual integrity. What an amazing privilege to have Stephen in Australia for Lifewell Conference 2008.

### DARLENE ZSCHECH

Darlene has a great heart for helping hurting people, and she has recognized that her public platform gives her the opportunity to make a significant difference in the lives of others. She is an ambassador for the work of Compassion International, and is committed wholeheartedly to relieving human suffering in any possible way.

It was a mission's trip to Central Africa in 2004 that prompted Mark and Darlene to initiate Hope: Rwanda, a global endeavor designed to bring hope to a nation seemingly forgotten since the horrific genocide of 1994. Darlene is at the forefront of restorative and care ministries and will encourage, challenge and stir us to continue to engage in ministries that go to the deeper places of life. We are really excited and privileged that Darlene has chosen to partner with LifeWell in championing the cause of restoration ministries.

### JOHN BEASY

John is the Senior Pastor of Enfield Baptist Church, Adelaide, and the President (elect) of the Baptist Union of Australia. He is also the Founding Director of LifeWell Ministries. John has over 15 years of pastoral experience, he understands and knows the importance of ministering and caring for the least and lost, the broken, the hurting and those struggling with life's major hurts and interruptions. It is John's desire to see people healed, restored and living life well in the way that God intended and designed. It is this vision and heart that saw the development of LifeWell Ministries and subsequently many people within the community being helped in a real, safe, and authentic manner. John will engage us in understanding the churches mandate of being involved in God's big agenda of restorative care, which involves 'all things' (Emotional, Physical & Spiritual) under Christ Jesus.
